## **Safety**

There is a risk of injury in any sport, to minimize this, every student must follow safety rules at all times. Students are not allowed on any equipment without the instructor's permission. No new stunt should be attempted without permission. There is to be no horseplay during class. Absolutely no chewing gum.

## **Conduct**

At all times students must be respectful to the instructors, each other and of church property. All students are expected to follow the rules of the class. Any student misbehaving or disrupting will be warned then asked to sit out. For safety reasons, it is very important that misconduct not be tolerated. We ask for the parents to fully support us in this.
